

UNIVERSITY OF LIÈGE

Bias and variance analysis : Report

Introduction to machine learning

Maxime MEURISSE (20161278)
Valentin VERMEYLEN (20162864)

Master in Civil Engineering, specialization in *Intelligent Systems*
Academic year 2019-2020

1 Bayes model and residual error in classification

(a) *Question a*

to do

(b) *Question b*

to do

2 Bias and variance of the kNN algorithm

(a) *Question a*

to do

(b) *Question b*

to do

3 Bias and variance estimation

(a) *Question a*

to do

(b) *Question b*

to do

(c) *Question c*

to do

(d) *Question d*

to do

(e) *Question e*

to do
